A. Definitions:

1. "Absence" - any day during which a student is not considered "in attendance" at his/her assigned school, or on a school sponsored activity (e.g. field trip), for at least one half of the school day.
2. "Educational Evaluation" - for purposes of this policy, an educational evaluation is an assessment of a student's educational development, which, based upon the student's presenting characteristics, would assess (as appropriate) the following areas: health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status and motor abilities.
3. "Excused Absence" - an absence from a regularly scheduled school day for at least one-half of the school day; for which absence, the school has received written documentation describing the reason for the absence within ten days of the student's return to school, or the child has been excluded from school in accordance with Section 12-210 of the Connecticut General Statutes, and meets the following criteria:
  - A. Any absence before the student's tenth absence, is considered excused when the student's parent/guardian approves such absence and submits appropriate written documentation; and
  - B. For the student's tenth absence and all absences thereafter, a student's absences from school are considered excused only for the following reasons

- a. student illness (verified by an appropriately licensed medical professional);
  - b. Religious holidays;
  - c. mandated court appearances (documentation required);
  - d. Funeral or death in the family or other emergency beyond the control of the student's family;
  - e. extraordinary educational opportunities pre-approved by the district administrators and in accordance with Connecticut State Department of Education Guidance;
  - f. lack of transportation that is normally provided by a district other than the one the student attends.
4. "In Attendance" - any day during which a student not considered to be absent from his/her assigned school, or from an activity sponsored by the school (e.g. field trip), for at least one-half of the school day.
  5. "Student" - a student enrolled in the Tolland Public Schools.
  6. "Truant" - any student five (5) to eighteen (18) years of age, inclusive, who has four (4) unexcused absences from school in any one month or ten (10) unexcused absences from school in any school year.
  7. "Unexcused Absence" - any absence from a regularly scheduled school day for at least one half of the school day, unless the absence an excused absence as defined above or the absence is a disciplinary absence.

The determination of whether an absence is excused will be made by the building Principal or his/her designee. Parents or other persons having control of the child may appeal that decision to the Superintendent or his/her designee, whose decision shall be final.

8. "written documentation" – includes a signed note from the student's parent/guardian, a signed note from a school official that spoke in person with the parent/guardian regarding the absence, or a note confirming the absence by the school nurse or by a licensed medical professional, as appropriate, that explains the nature of and the reason for the absence as well as the length of the absence.

B. Truancy exceptions:

1. A student five (5) or six (6) years of age shall not be considered truant if the parent or person having control over such student has appeared personally at the school district office and exercised the option of not sending the child to school at five (5) or six (6) years of age.
2. A student seventeen (17) years of age shall not be considered truant if the parent or person having control over such student consents to such student's withdrawal from school. Such parent or person shall personally appear at the school district office and sign a withdrawal form indicating such consent. Such withdrawal form must include an attestation from a guidance counselor or school administrator from the school that the district provided the parent (or person having control of the child) with information on the educational options available in the school system and community.
3. If a parent or guardian of an expelled student chooses not to enroll the student in an alternative program, the student shall not be considered to be "truant."

C. Readmission to School Following Voluntary Withdrawal

1. Except as noted in paragraph 2 below, if a student voluntarily withdraws from school (in accordance with Section B.2, above) and subsequently seeks readmission, the Board may deny school accommodations to the student for up to ninety (90) school days from the date of the student's withdrawal from school.
2. If a student who has voluntarily withdrawn from school (in accordance with Section B.2, above) seeks readmission within ten (10) school days of his/her withdrawal, the Board shall provide school accommodations to the student not later than three (3) school days after the student requests readmission.

D. Determinations of whether a student is "in attendance":

1. A student serving an out of school suspension or expulsion shall be reported as absent unless he or she receives an alternative educational program for at least one half of the regular school day.
2. On early dismissal days and days shortened due to inclement weather, the regular school day for attendance purposes is considered to be the amount of instructional time offered to students on that day. For example, if school is open for four hours on a shortened day scheduled, a student

must be present for a minimum of two hours in order to be considered "in attendance."

3. Students placed on homebound instruction due to illness or injury in accordance with applicable regulations and requirements are counted as being "in attendance" for every day that they receive instruction from an appropriately certified teacher for an amount of time deemed adequate by the administration so as to ensure that the student is able to successfully return to the regular classroom setting.

E. Procedures for students in grades k-8\*

1. Notification

- a. Annually at the beginning of the school year and upon the enrollment of any child during the school year, the administration shall notify the parent or other person having control of the student enrolled in grades K – 8 in writing of the obligations pursuant to Conn. Gen. Stat. §10-184 to assure that such a student attends school regularly or to show that the child is elsewhere receiving equivalent instruction in the studies taught in the Tolland Public Schools.
- b. Annually at the beginning of the school year and upon the enrollment of any child during the school year, the administration shall obtain from the parent or other person having control of the student in grades K- 8 a telephone number or other means of contacting such parent or other person during the school day.

2. Monitoring

Each school shall implement a system of monitoring individual unexcused absences of students in grades K- 8. Whenever such a student fails to report to school on a regularly scheduled school day, school personnel under the direction of the building Principal, shall make a reasonable effort to notify the parent or other person having control of such student by telephone and by mail of the student's absence, unless school personnel have received an indication that the parent or other person is aware of the student's absence. Mailed notice of the student's absence shall include a warning that two unexcused absences from school in a month or five unexcused absences in a school year may result in a complaint filed with the superior court pursuant to section 46b-149 alleging the belief that the acts or omissions of the child are such that the child's family is a family with service needs. Any person who, in good faith, gives or fails to give such notice shall be immune from liability, civil or criminal, which might otherwise be incurred or imposed and shall have the same immunity with

respect to any judicial proceeding which results from such notice or failure to give notice.

F. Procedures Applicable to Students Ages Five (5) to Eighteen (18)

1. Intervention

- a. When a student is truant, the building principal or his/her designee shall schedule a meeting with the parent (or other person having control of such student) and appropriate school personnel to review and evaluate the reasons for the student's truancy. This meeting shall be held no later than ten (10) days after the student becomes truant. The district shall document the meeting, and if parent or other person declines to attend the meeting, or is otherwise is non responsive, that fact shall also be documented and the meeting shall proceed with school personnel in attendance.
- b. When a student is truant, the Superintendent or his/her designee shall coordinate services with and referrals of students to community agencies providing child and family services, as appropriate. The district shall document efforts to contact and include families and to provide early intervention in truancy matters.
- c. If the parent or other person having control of a student who is truant fails to attend the meeting held pursuant to Subsection A., above, or otherwise fails to cooperate with the school in attempting to solve the truancy problem, the Superintendent shall file, within fifteen calendar days of such failure to attend the meeting or other failure to cooperate with the school in attempting to solve the truancy problem, for such truant a written complaint with the Superior Court pursuant to Conn. Gen. Stat. § 46b - 149 alleging the belief that the acts or omissions of the truant are such that his/her family is a family with service needs.
- d. In addition to the procedures specified in subsections A through C above, a regular education student who is experiencing attendance problems should be referred to the building Child Study Team, or other appropriate school based team to consider the need for additional interventions and/or assistance. The team will also consider whether the student should be referred to a Planning and Placement Team ("PPT") meeting to review the student's need and eligibility for Special Education. A special education student

who is experiencing attendance problems should be referred to a PPT meeting for program review.

- e. If a FWSN petition is filed and the court orders an educational evaluation of the student, the district shall conduct an appropriate educational evaluation if no such evaluation has been performed within the preceding year.
  - i) for a regular education student, the educational evaluation will be conducted or arranged for by appropriate school personnel and coordinated through the Child Study Team, or other appropriate school based team. Upon completion of the evaluation of a regular education student, the child study team, or other appropriate school based team shall review the evaluations and make appropriate recommendations for alternative procedures, programs or interventions. Such recommendations may include a referral of the student for further evaluation and/or consideration for special education eligibility.
  - ii) In the case of a student who requires or may require special education and related services, the District shall convene a PPT to determine what evaluations may be appropriate to assess any specific areas of concern. The PPT shall reconvene to review the evaluations and make appropriate recommendations regarding the student's need for special education services and the need, if any, to revise the student's Individualized Education Program ("IEP").

G. Reports to the State Regarding Truancy Data:

Annually, each local and regional Board of Education shall include information regarding truancy in the strategic school profile report for each school under its jurisdiction and for the school district as a whole submitted to the commissioner of education. Measures of truancy include the type of data that is required to be collected by the Department of Education regarding attendance and unexcused absences in order for the department to comply with federal reporting requirements and the actions taken by the board of education to reduce truancy in the school district.

## Sample Notification Regarding Student Attendance

Regular and punctual student attendance is essential to the educational process. Connecticut General Statutes Section 10-184 provides that "each parent or other person having control of a child five years of age and over and under eighteen years of age shall cause such child to attend a public day school regularly during the hours and terms the public school in the District wherein such child resides is in session, unless such child is a high school graduate or the parent or person having control of such child is able to show that the child is elsewhere receiving equivalent instruction in the studies taught in the public schools. The parent or person having control of a child seventeen years of age may consent, as provided in this section, to such child's withdrawal from school. Such parent or person shall personally appear at the school district office and sign a withdrawal form. The school District shall provide such parent or person with information on the educational options available in the school system and in the community, and shall include an attestation on the withdrawal form from a guidance counselor or school administrator from the school that the district provided the parent (or person having control of the child) with information on the educational options available in the school system and community. The parent or person having control of a child five years of age shall have the option of not sending the child to school until the child is six years of age and the parent or person having control of a child six years of age shall have the option of not sending the child to school until the child is seven years of age. The parent or person shall exercise such option by personally appearing at the school District office and signing an option form. The school district shall provide the parent or person with information on the educational opportunities available in the school system."

In order to assist parents and other persons in meeting this responsibility, the Tolland Board of Education monitors unexcused student absences and makes reasonable efforts to notify parents or other persons by contacting them when a student fails to report to school. State law provides that any person who, in good faith, gives or fails to give such notice shall be immune from any liability, civil or criminal, which might otherwise be incurred or imposed and shall have the same immunity with respect to any judicial proceeding which results from such notice or failure to give such notice. The Board, therefore, must obtain a telephone number or other means of contacting parents or other persons during the school day.

## **SAMPLE LETTER**

Date

Parent Name & Address  
Tolland, CT 06084

Dear Mr. and Mrs. Name:

The purpose of this correspondence is to review our telephone conversation on (Date) regarding (student name) attendance. (Student Name) has been absent from school (number) full days unexcused during the 2011-2012 school year. Connecticut General Statute Section 10-198a states that parents of children ages five to eighteen years, inclusive, are responsible for ensuring their child attends a public school regularly or show that the child is elsewhere receiving equivalent instruction.

Future unexcused absences from school or class by (Student Name) will be classified as truant.

Connecticut General Statute Section 10-198a states that if a student should accrue (4) four unexcused absences from school in any one month or (10) ten unexcused absences from school in any year, he/she will be considered "truant". If the attendance concerns are not resolved or the parents or guardian do not cooperate with the school in resolving the truancy issue, the Superintendent would then be required to file a Family With Service Needs (FWSN) petition with the Superior Court (pursuant to Connecticut General Statutes Section 46b-149).

Please contact me should you need any further information.

Sincerely,
