- 5. The building Principal or responsible administrator has the discretion to limit, or refuse, requests for visits and/or observations of student programs in light of the above criteria.
- 6. If a building Principal or responsible administrator approves a request to visit a school building and/or observe a student program, arrangements must be made in advance to ensure that the visit will not disrupt educational programs. Upon arrival, all visitors must report directly to the visitors' reception area of the school office. All visitors must sign in and out of the building and shall be accompanied by appropriate school personnel while in school buildings. The length and scope of any visit shall be determined by the building Principal or responsible administrator in accordance with these regulations and accompanying board policy.
- 7. Upon arrival, all visitors must comply with any and all applicable building security procedures, including but not limited to utilizing security buzzers for access, complying with requests for photo identification, reporting directly to and signing in and out at the visitors' reception area of the school office, prominently displaying visitors' badges or other identification required for visitors to the school buildings, limiting access to those areas of the buildings and grounds for which the visitors have authorized access, and complying with directives of school officials at all times.
