News from the Cafeteria

End of Year Student Account Balances -

All positive student balances stay in their account for use the next school year.

All negative balances must be paid before the end of the school year.

The Point of Sale System is set up as an opportunity to pre-pay for your child's meals. It is **debit, not a credit** system. On occasion, your student may have come through the lunch line without money in hand or in their account and we have allowed them to charge a meal.

As the end of the year approaches it is imperative that you pay your student's negative balance.

As of June 3rd we will not allow charging for the rest of the year. If your child does not have money in hand or in their account they will receive an alternate meal of either a peanut butter or cheese sandwich, a fruit or vegetable and a milk at BG and TIS.

At TMS they will receive a granola bar.

If your students has a negative balance they have been told repeatedly and/or you have already been contacted. If you would like to check the balance online and/or make a payment please sign up for "my school account" (where you can sign up for low balance notifications even if you do **not** use it to make payments). For instructions click [here](#).

You can also contact your school cafeteria or the central food service office for an account balance.

Thank you for your cooperation. If you ever have a question regarding meals in Tolland Schools please contact, Abby Kassman-Harned, Food Service Director at 860-870-6854 or aharned@tolland.k12.ct.us

Power School and Unified Classroom Resources

Since February 2018, Tolland Public Schools began to use PowerSchool's Unified Classroom. Unified Classroom provides a comprehensive look at student growth and achievement, while providing a single sign-on opportunity for parents with multiple students in the district.

While the mobile app has not changed (Unified Classroom access does not change your mobile app access) and can still be used, the computer-based version of Unified Classroom provides a more detailed view, and we recommend that parents use both tools to gain knowledge about their student.

For directions on how to set up your Unified Classroom account, if you haven't already, you may always visit the Tolland Public School's website or any of the school websites and click PowerSchool in the upper right-hand corner.

If you have already created your Unified Classroom account and can successfully log in at classroom.powerschool.com, you do not need to do anything further. If at any time you need to reset your password, you may do this yourself using the Forgot Password option on the sign in page.

New to Unified Classroom or PowerSchool

VOLUNTEER INFORMATION

We would love to have you volunteer in our Tolland Public Schools!

We would love to have you come and volunteer at the Tolland Public Schools!

Please contact the Central Office with any questions. For those already volunteering, and those new to the game, the BOE will now do background checks every three school years. If you will be volunteering for the first time in the upcoming school year, please complete the [online form under Quick Links](#). After you have submitted your application, please call 860-870-6850 extension 1 to provide your social security number. You can check with the school secretaries to verify your status.

Please note these procedures are required for safety and legal reasons. A person *will not* be permitted to join trips, work in classrooms, or do other work associated with the students in the schools without ***completing*** this process. Doing paperwork in advance and in a timely manner will prevent applicants from missing important events and avoids unnecessary disappointments and exclusions.

SNOW DELAYS AND CANCELLATIONS

Dear Parent or Guardian:

I want to take this opportunity to inform you of the District's procedures regarding school closings, delays, and early dismissals.

The decision to change school schedules is made after careful review of information collected from the local police, highway and school maintenance departments as well as a local weather service. Road conditions, sidewalk status, precipitation, temperatures and forecasts are considered when making a determination to delay or close schools. In some circumstances, a delay may be upgraded to a school closing. Information related to delayed openings and school closures is broadcasted on television and radio stations typically by 5:45 a.m. The safety of our children is the priority factor in all decision making.

BLACKBOARD CONNECT 5

The *Blackboard Connect 5* communication system is a telephone messaging service that the district uses which enables us to personally communicate with parents and staff regarding emergency situations, school closings and delays, school events and other important issues impacting you and your children. It is imperative that you keep a current emergency telephone number listed at your child's school building. In the event of an early dismissal or delay, a Blackboard message will be broadcast to all families by 5:45 a.m. During an emergency or weather-related incident, calls will be made through the emergency mode to all student numbers in the Blackboard system.

DELAYED OPENINGS

- This year we will utilize a two (2) hour delay.
- There is no morning (am) Birch Grove preschool classes on delayed openings.
- Buses will arrive at stops approximately two (2) hours later than the usual time.

EARLY DISMISSAL

- An announcement will be made on the radio and television stations, generally prior to 11:00 a.m.
- The high school is released at approximately 10:45 a.m. Tolland Middle School is released at 11:45 am and Tolland Intermediate and Birch Grove Primary School are released at 12:45 pm. (Please note that unusual circumstances may dictate an earlier dismissal.
- There are no p.m. Birch Grove pre-school classes on early dismissal days.

In the event of school closings or early dismissals, all sporting events and student activities will be cancelled.

TRANSPORTATION REGULATIONS

Students in grades PreK-5 will be returned to school in the event an adult is not present at the bus stop to meet them unless you have signed the bus stop release form.

ALL STORM ANNOUNCEMENTS

Announcements will be made on the following TV Stations:

WTNH

WFSB

WVIT

WTIC

It is the parent/guardian's responsibility to monitor weather related delays, closings, and early dismissals and to cooperate with school personnel as we work to ensure student safety.

TOLLAND FAMILY RESOURCE CENTER'S INCLEMENT WEATHER PROCEDURES

If Tolland Public Schools is closed due to inclement weather, then the Tolland Family Resource Center is closed.

Weather delays and early closings

FRC School Age Care

The Before School Program will follow the School System for delays:

* 2 hour delay, the FRC opens at 9:00 a.m. for children registered in the before-school program for that day. This is to allow enough time for the parking lot and sidewalks to be treated.

Early Dismissal

When there is an early dismissal due to inclement weather the FRC will close at 3:45 p.m. However, if Birch Grove and Tolland Intermediate School closes before 1:20 p.m. then FRC will close 2 hours after the end of school; example if Birch Grove/TIS close at 11:00 a.m. then FRC will close at 1:00 p.m.

Late pick-up fees apply on early dismissals. Please call if you are delayed for any reason.

FRC Preschool

If Tolland Public Schools has a **delayed opening** due to weather, FRC morning preschool will open at 11:00 a.m. and will run until 12:00 p.m. Four-Year-Old FRC afternoon Preschool will start at 12:00 p.m.

If Tolland Schools has an **early dismissal**, the afternoon Four-Year-Old FRC Preschool will be cancelled.

FRC Preschool Enrichment

If Tolland Public Schools has a **delayed opening** due to weather, FRC Preschool Enrichment will open at 11:00 a.m. and will run until 1:30 p.m. If school **closes early** Preschool Enrichment will close at 12:00 P.M.

FRC Play groups are cancelled on delays or early closings.

Finally, I want to assure you, once again, that our primary concern in calling a school delay, early dismissal or closure is always the *safety* of our children. If parents feel conditions are unsafe, they should use their discretion, and keep their children at home. Here's hoping for a warm and uneventful winter!

OTHER INFORMATION

CHECK OUT THE DAVID E. GOLDEN DISCOVERY LAB!

A bus will take you there! Check with your school for the afternoon library bus!

<https://youtu.be/HSU-6tNfSWg>

There is something *incredibly cool* happening at the **Tolland Public Library**. *The David E. Golden Discovery Center*. The Golden GC has been made possible by the Tolland Education Foundation, and is to be dedicated in the memory of David E. Golden, a leader in the community and former President of the Tolland Education Foundation. The lab is open to the public and contains technology not available to the average person. The midi and music resources, video editing and production software, game construction software, and Oculus Virtual Reality stations (with software) make this lab one of the most cutting edge in the State of Connecticut. Call the library in advance or stop by to sign up for using this lab!
