Compiled by the Tolland Family Resource Center (FRC) as a resource for families. Programs are arranged alphabetically. Please note, the FRC does not recommend one program over another. Our goal is to provide parents with the necessary information and tools to help in their search for a preschool and/or childcare program for their children. If you need additional information, please contact the FRC. You can also find information on choosing childcare through 2-1-1 Child Care (dial 2-1-1 or visit [211childcare.org](http://211childcare.org))
